

**Instructor: Evan Vargas**  
**Office:** Building 2, Room 218, Reese Campus  
**Email:** [evargas@southplainscollege.edu](mailto:evargas@southplainscollege.edu)  
**Office Hours in Reese Campus:**  
 M-R: 2:00-4:00 PM  
*Or by Appointment*

**Mathematics 1316 – Plane Trigonometry**  
**Section 001:** Monday-Thursday 6:00-7:55 PM  
**Room:** Building 2, Room 218, Reese Campus

**Course Information**

- Textbook**            *Trigonometry, 11th Edition; Lial, Hornsby, Schneide, Pearson*
- Materials**            Pencils, erasers, paper, and scientific calculator
- Description**        Topics will include trigonometric functions, radian measure, logarithms, oblique triangles, functions of composite angles, trigonometric identities and equations, and inverse trigonometric functions.
- Purpose**                The purpose of this course is to provide a fundamental background in trigonometry, to meet the mathematics requirement for the core curriculum, and to provide a basis for further study in mathematics.
- Requirements**      A student should attend all class sessions, take notes, participate in class, complete all worksheet assignments, pass classroom quizzes, and pass all examinations.
- Learning Outcomes**
1. Compute the values of trigonometric functions for key angles in all quadrants of the unit circle measured in both degrees and radians.
  2. Graph trigonometric functions and their transformations.
  3. Prove trigonometric identities.
  4. Solve trigonometric equations.
  5. Solve right and oblique triangles.
  6. Use the concepts of trigonometry to solve applications

**Grading**

<b>Weights</b>	Homework	10%	<b>Grading Scale</b>	90-100	<b>A</b>
	Quiz	10%		80-89	<b>B</b>
	Exams (4)	15% each		70-79	<b>C</b>
	Final Exam	20%		60-69	<b>D</b>
	<b>Total</b>	<b>100%</b>		0-59	<b>F</b>

**Homework**        Weekly Homework assignments are assigned to students in class/blackboard and will contain examples demonstrated in class as well as extra problems to be done for studying purposes. These will be due on the day of the corresponding examination.

- Quizzes** Quizzes will be given randomly and will contain material pertaining to Worksheets and previous lecture material. Quizzes will not be made up if missed.
- Exams** Exams will cover material from Homework, Quizzes, and Lectures as indicated by the course itinerary. Examinations will be a combination of open answer, fill in the box, and/or multiple choice. Students need only bring pencils, lead, and erasers. No other material will be required unless stated in class.
- Cell phones, smart watches, tablets, computers, etc. **are not allowed** and students will be asked to remove their device(s) or leave the class. Students seen with and using unapproved devices will receive an automatic 0 for the exam and be dropped from the course.
- Final Exam** A **comprehensive** final exam will be given at the end of the semester. Failure to attempt the final exam will result in a failing grade for the course. The final exam will be given on **Tuesday July 10<sup>th</sup>, 2019 from 6:00-7:55 P.M.** Conflicting test schedules must be worked out with instructors.

### Classroom Policies

- Disclaimer** The instructor reserves the right to alter any class policies as deemed necessary by the instructor or South Plains College and will announce any changes in class. If a student has any questions about a change in policy, ask the instructor for clarification.

To successfully complete the course objectives, the students must already be prepared to factor algebraic expressions, reduce, add, subtract, multiply, divide, and simplify rational expressions, and simplify, add, subtract, multiply and divide exponential and radical expressions.

- Class Cancellation** In the event of the class being canceled by the school, the student will be responsible for the lecture material. The class will continue the calendar presented. All information needed will be on Blackboard and should be accessed by the student.

- Attendance** Records of your attendance are maintained throughout the semester. **Two absences, for any reason, are allotted to the student for the semester.** Tardies count as one-half (1/2) of an absence. Tardies will be applied for consistently being late to class, as deemed by the instructor and leaving class early. If this number is exceeded, the instructor has the right to drop you with a grade of F or an X, depending on their discretion. You can seek temporary reinstatement within a week after being withdrawn, assuming the student submits their syllabus receipt, but you must withdraw yourself from the course via the Admission and Records Office within two days of reinstatement. In the latter case, you will receive a W or a U. After the two days have expired, the instructor has the right to drop you for a final time, after which there will be no reinstatement.

- Final Grading** All grades are rounded from the tenths place, e.g.  $80.5 = 81$ ,  $80.49 = 80$ . Upon the submission of grades at the end of the semester. **ALL GRADES ARE FINAL**

- Email** All students at South Plains College are assigned a standardized SPC e-mail account. Although personal email addresses will continue to be collected, the assigned SPC e-mail account will be used as the official channel of communication for South Plains College. The Student

Correspondence Policy can be found at [www.southplainscollege.edu](http://www.southplainscollege.edu). To access the SPC student e-mail account, log in to MySPC and click the SPC Google Mail option under Campus Bookmarks. **(Copied from SPC Student Guide)**

Since all students have an assigned SPC email, the instructor will only acknowledge, respond, and send emails to your assigned SPC email. This ensures all correspondence from the instructor is received by the intended recipient.

**Withdrawal** If you wish to withdraw from this class for any reason, you must initiate the appropriate steps on your own. To withdraw from this class, you will need to go to the Admissions and Records office either on the Levelland campus, the Reese Center campus, or the Lubbock Center, and fill out a drop notification form, and pay \$5. The drop form can be obtained online in MySPC, under the Student Forms and Tools link. Please be aware that SPC may not permit an undergraduate student to drop a total of more than six courses (including any course a transfer student has dropped at another institution of higher education) if the student enrolled in college for the first time during the Fall 2007 academic term or any term after the Fall 2007 term

**Diversity Statement** In this class, the teacher will establish and support an environment that values and nurtures individual and group difference and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is but also model society as it should and can be. (copied from current South Plains College Faculty Handbook)

**Disabilities Statement** Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland Student Health & Wellness Center 806-716-2577, Reese Center (also covers Lubbock Center) Building 8: 806-716-4675, Plainview Center Main Office: 806-716-4302 or 806-296-9611, or the Health and Wellness main number at 806-716-2529. (copied from current South Plains College Faculty Handbook)

**Religious Holy Days** In accordance with Section 51.911, Texas Education Code, South Plains College will allow a student who is absent from class for the observance of a religious holy day to take an examination or complete an assignment scheduled for that day within seven (7) calendar days after the absence. Students are required to file a written notification of absence with each instructor within the first fifteen (15) days of the semester (Monday, 17 September 2018) in which the absence will occur. Forms for this purpose are available in the Student Services Office along with instructions and procedures. "Religious holy days" means a holy day observed by a religion whose place of worship is exempt from property taxation under Section 11.20, Tax Code. (copied from current South Plains College catalog)

**Sexual Misconduct** As a faculty member, I am deeply invested in the well-being of each student I teach. I am here to assist you with your work in this course. If you come to me with other non-course-related concerns, I will do my best to help. It is important for you to know that all faculty members are mandated reporters of any incidents of sexual misconduct. That means that I cannot keep

information about sexual misconduct confidential if you share that information with me. Mr. Christopher Straface, the Director of Health & Wellness, can advise you confidentially as can any counselor in the Health & Wellness Center. They can also help you access other resources on campus and in the local community. You can reach Mr. Straface at 716-2362 or [cstraface@southplainscollege.edu](mailto:cstraface@southplainscollege.edu) or go by the Health and Wellness Center. You can schedule an appointment with a counselor by calling 716-2529.

**Campus  
Concealed  
Carry**

Campus Concealed Carry - Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in South Plains College buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and South Plains College policy, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to the SPC policy at:

[http://www.southplainscollege.edu/human\\_resources/policy\\_procedure/hhc.php](http://www.southplainscollege.edu/human_resources/policy_procedure/hhc.php)

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all South Plains College campuses. Report violations to the College Police Department at 806-716-2396 or 9-1-1.

**Academic  
Honesty**

You are expected to uphold the ideas of academic honesty. All work that is graded must be your own. This policy applies to all work attempted in this course. If this policy is violated the student will receive an F for the assignment and will be dropped with an F. For more details on what is considered cheating, see the South Plains College catalog

**Equal  
Opportunity**

South Plains College strives to accommodate the individual needs of all students in order to enhance their opportunities for success in the context of a comprehensive community college setting. It is the policy of South Plains College to offer all educational and employment opportunities without regard to race, color, national origin, religion, gender, disability, or age.

**Resources**

Students may utilize free tutoring provided by SPC. Tutoring is available at all SPC campus locations. Please consult with the instructor for further information.

<b>Week 1</b>	June 3 <sup>rd</sup>	Introductions – Angles, Angle Relationships and Similar Triangles
	June 4 <sup>th</sup>	Trigonometric Functions and Definitions.
	June 5 <sup>th</sup>	Trig Functions of Acute Angles and Non-Acute Angles
	June 6 <sup>th</sup>	Approximations of Trig Function Values Applications of Right Triangles
<b>Week 2</b>	<b>June 10<sup>th</sup></b>	<b>Examination 1; Homework #1 Due</b>
	June 11 <sup>th</sup>	Radian Measurements and Applications
	June 12 <sup>th</sup>	The Unit Circle and Circular Functions
	June 13 <sup>th</sup>	Sine and Cosine Function Graphs Translations
<b>Week 3</b>	<b>June 17<sup>th</sup></b>	<b>Examination 2; Homework #2 Due</b>
	June 18 <sup>th</sup>	Tangent and Cotangent Function Graphs Secant and Cosecant Function Graphs
	June 19 <sup>th</sup>	Fundamental Identities – Verifying Sum and Difference Identities – Cosine, Sine, and Tangent
	June 20 <sup>th</sup>	Double Angle Identities Half-Angle Identities Inverse Circular Functions
<b>Week 4</b>	<b>June 24<sup>th</sup></b>	<b>Examination 3; Homework #3 Due</b>
	June 25 <sup>th</sup>	Trig Equations 1 and 2
	June 26 <sup>th</sup>	Inverse Trig Equations
	June 27 <sup>th</sup>	Law of Sines Law of Cosines
<b>Week 5</b>	<b>July 1<sup>st</sup></b>	<b>Examination 4; Homework #4 Due</b>
	July 2 <sup>nd</sup>	Vectors, Operations, and Dot Product; Applications
	July 3 <sup>rd</sup>	Complex Numbers, Polar Equations, and Parametric Equations
	<b>July 4<sup>th</sup></b>	<b>Holiday – No Class</b>
<b>Week 6</b>	<b>July 8<sup>th</sup></b>	<b>Final Exam Review; Homework #5 Due</b>
